

▲ THE INOS 2018

# INOS

All of our Inos Caravans are tailor made to individual customer requirements, which means your dream caravan can become a reality with the Inos. In addition to the high standard specification, there are a variety of optional extras for you to add that personal touch to your dream caravan.

Every Inos caravan is hand-built by highly trained craftspeople to ensure the highest quality and attention to detail when building your unique Caravan.

## INOS 70

You can choose from a range of colour schemes to add your personal touch throughout your caravan, - there's no limit to the optional extras available to kit out your Inos. These include; dishwashers, air conditioning, satellite TV and Auto Levelling Systems to only name a few.

In the kitchen; integration of top quality materials blended with exceptional build quality is instantly visible. Be bold and pair the striking finish with bright splash back for an added touch of colour.

# INOS 70 TECHNICAL DETAILS

BERTH:
